

Haarup – Genuine Spare Parts

Fit first time – every time

Haarup keeps a comprehensive stock of wear and spare parts. All Haarup wear parts are produced to high specifications and tolerances and undergo rigorous checks and quality control to ensure all parts meet our demands and yours. Consequently, purchasing genuine Haarup parts guarantees that they fit first time, every time and leaving you time to produce concrete! Our fast delivery of genuine Haarup parts at low prices means your maintenance budgets and downtime are kept to a minimum.

Haarup

batching and mixing plants for the concrete industry since 1964

Cast Wear Plates

Wear plates made from hardwearing, chill-cast chrome-nickel steel.

Advantages

- Long service life
- Minimum distance between plates and bolts in order to reduce cleaning and wear
- Exact dimensions make the installation easy and fast
- Special, hardened bolts which are flush with liner
- Low investment
- Ready for immediate delivery

Haarup Quality for the whole world

Haarup is a world-wide supplier of complete plants as well as modernizations, optimizations and machinery for the concrete industry. Haarup develop and produce quality batching and mixing plants, which meet the requirements of the professional concrete producers for durability and dependability.

Spare Parts

Haarup always seek to offer the highest level of service for our customers. Consequently, Haarup offer comprehensive local stocks of skip hoist buckets, cast wear plates and all vital spare parts for our customers mixing and batching equipment close to our customers. This service is offered through our departments in Denmark, North America, UK and a Broad network of European and American dealers.
